CONFERENCE OF WESTERN WAYNE FIREFIGHTER TESTING PROGRAM

JANUARY – DECEMBER 2018

THE CWW FIREFIGHTER TESTING PROGRAM

The Fire Training Institute of Schoolcraft College, in collaboration with the Schoolcraft Testing Center, administers a pre-employment certification test. This test evaluates the written and physical qualifications of firefighter candidates. **All CWW applicants are required to take our CWW written and CPAT tests.** Successful completion of testing validates a candidate's ability to perform the critical reading and physical skills needed for entry level positions.

WRITTEN TEST

The written test measures work-related performance factors and basic firefighter knowledge.

PHYSICAL ABILITY TEST

The nationally recognized Candidate Physical Ability Test (CPAT) is a sequence of eight separate events, requiring progression along a predetermined path from event to event in a continuous manner. The pass/fail sequence was developed to determine firefighter candidates' ability to perform essential simulated tasks consistent with fire fighting. A description of the CPAT will be provided at registration.

All forms must be submitted at the time of the physical test. Forms will be provided at time of registration.

2018 WRITTEN TEST AND CANDIDATE PHYSICAL ABILITY TEST (CPAT)

Successful completion of both tests may be required by the communities of the CWW and other participating municipalities:
