CONFERENCE OF
 WESTERN WAYNE
 FIREFIGHTER
 TESTING PROGRAM

JANUARY – DECEMBER 2022

THE CWW FIREFIGHTER
 TESTING PROGRAM

Schoolcraft College administers a pre-employment certification test. This test evaluates the written and physical qualifications of firefighter candidates. *All CWW applicants are required to take our CWW written and CPAT tests.* Successful completion of testing validates a candidate's ability to perform the critical reading and physical skills needed for entry level positions.

WRITTEN TEST

The written test measures work-related performance factors and basic firefighter knowledge.

PHYSICAL ABILITY TEST

The nationally recognized Candidate Physical Ability Test (CPAT) is a sequence of eight separate events, requiring progression along a predetermined path from event to event in a continuous manner. The pass/fail sequence was developed to determine firefighter candidates' ability to perform essential simulated tasks consistent with fire fighting. A description of the CPAT will be provided at registration.

All forms must be submitted at the time of the physical test. Forms will be provided at time of registration.
